Handicraft Holy Land Christians

On the weekend of January 25-26, we will welcome our special guest Paul from Sebastien Cardinal's team, representing "Handicraft Holy Land Christians", who after all the masses will briefly address the issues and concerns regarding the Christian presence in the Holy Land. Christians in the Holy Land graciously ask your support through conscience prayers and will have many unique hand carved olive wood religious art pieces made by these families in Bethlehem available for purchase after every mass. Proceeds of the sales generate much needed employment for our Christian brothers and sisters in Bethlehem. May God Bless you for your generosity, for your help and for your prayers."

Cash, debit, credit cards and cheque will be accepted.

ALL ARE WELCOME!**

The Baptism of Jesus was the beginning of his public ministry- and for the rest of us - our own baptism marks the beginning of our lives as Catholic Christians. Jesus didn't need baptism but wanted to be baptized because baptism would be the way in which we would begin to share in his life in communion with his Father through the Spirit. Everything we do in the church is done because of Jesus and we are baptized because Jesus was baptized and commanded the apostles to baptize all nations. His baptism is to heal us, to restore our rejected humanity and to recreate a complete solidarity with us. Now we have the privilege! We are called the sons and daughters of God. If we lead meaningful Christian lives we too can hear the words from above, "you are my son and daughter, my beloved, in whom I am well pleased."
