The Shepherds' Trust

Caring for those who have always cared for us!

There will be a second collection today for The Shepherds'Trust. The mission of the Shepherds' Trust is to help ensure that elderly and disabled priests are provided with sufficient financial resources to lead a dignified life after many years of ministry. Your generous gift will help our priests to maintain a modest but active and independent lifestyle in their retirement years. For priests who are ill or otherwise infirm, the Trust ensures they have access to nursing home facilities and medical care. Thank you for your support of this important work.
