**ShareLife Sunday collections take place this weekend, celebrating 50<sup>th</sup> anniversary**

Today is our third weekend of special collections for ShareLife Sunday. Reverence for life at all stages has been a core principle of ShareLife since its founding in 1976. We recognize the sacredness of life from conception to natural death. ShareLife-funded agencies uphold this value in everything they do, bringing hope, healing, and compassion to those who need it most.

This mission of love is witnessed at Rose of Sharon, where Executive Director Deanne Kukulewicz gratefully notes that "your commitment to ShareLife is an investment in young parents and their futures, fostering a community where everyone has the opportunity to thrive."

Thus far we have raised \$ 45,629.00 toward our goal of \$ 80,000.00. Please give at the parish using a ShareLife envelope, or at [sharelife.org/donate](http://sharelife.org/donate).

## **The Solemnity of the Most Holy Trinity**

Bishop Fulton Sheen is the modern American theologian, who tried to explain Trinity in a simple way inviting us to experience Triune God in our life. He spoke of the nature of God as being one, like that of water. Water's chemical symbol is H<sub>2</sub>O. That is its nature. Is it possible to have various relationships within that one nature, he asks? Yes, it is possible. The nature of water can appear like liquid, steam or ice. The nature of all three is identical but their form is different. Just as in the sun there is substance, light and heat, yet only one sun. Bishop Sheen writes: Our belief in God as Trinity is an invitation to experience-to experience God as same nature but as the Father, the Son and the Spirit, three different persons.

This is the invitation of the feast of Trinity today: to live with Trinity, to experience Him as the Living God-as one who creates us, seeks us out, and enlightens us. We were created to participate in and share the life of Holy Trinity. It is our spiritual DNA. "Then God said, 'Let us make humankind in our image, according to our likeness'" (Gen. 1:26). Trinitarian life is the pattern from which we were created. It is both the basis and destination of our lives. The Trinitarian life is a choreography of love; three equal persons, the Father, and the Son, and the Holy Spirit, each one dwelling in the other by virtue of an unceasing movement of mutual love. Our lives, marriages, families, schools, workplaces, parishes, are to become images, icons, of the Trinity of God. We are invited to join this dance of mutuality and love.

St. Irenaeus of Smyrna says: "My God is so high you can't get over Him. He's so low you can't get under Him. He's so wide you can't get around Him. The glory of God is man fully alive," Stop thinking about God. Live life, share the love, reveal the beauty.
