

## THE MOST HOLY BODY AND BLOOD OF CHRIST

### Please Pray For All The Sick

Ann MacGillivray, Kenneth Hill, Fred Weber, Miyanna Figueroa, Brian Cabral, Mariana Weglinski, Boguslaw Cop, and Aissa Aro.

And we pray for those whose death anniversaries occur about this time that they may live in glory forever with God and all the Saints.

### Body and Blood of Christ

Think for a moment what it means that blood is in us to give. Whether donating to the blood bank, working for a worthy cause or giving birth, are we not really talking about more than blood cells, platelets and plasma? Do we not mean that life itself is in us to give?

To the people of Israel blood symbolized the pouring out of their lives to the God who had chosen them, redeemed them from slavery in Egypt and made a covenant with them. Moses sprinkled both the altar (which represented God) and the people with blood to show how intimate was the bond between God and the chosen people.

The story might have ended there. But the same people who had promised to be faithful later built the golden calf. On the Day of Atonement, Yom Kippur, the high priest asked forgiveness for the people's sins when he entered the Holy of Holies (the Temple's innermost sanctuary) and sprinkled sacrificial blood on the altar.

Although the value, the ritual had to be repeated annually. But Christ's sacrifice is once-for-all and cleanses us in the depths of our hearts. Christ gave his very life for us and because of His love poured out, we now share in the divine life. In thanksgiving – the Greek word is Eucharist – let us give our own life's blood in loving service to others.

The God's Family Choir invites you to come and join them in the celebration of the Feasts of The Sacred Heart of Jesus & Immaculate Heart of Mary on

### Happy Father's Day

Today is a day to be grateful for the gift of life, and for the man who did his best to show us love and helped us to learn how to live. What a blessing! The warm smile on Dad's face when we first were able to ride a bicycle, or complete the test for a driver's license, or earn our first paycheck, are memories to be treasured, and a testament to the self-giving love of a father. He takes pride in what his child accomplishes. A father's love gives us security and safety. Dads are works in progress, and we pray, saints in the making. But they have taught us persistence and perseverance, and, with their encouragement, we find ourselves more ready for life than we would be on our own. So, today we give thanks for them. We give thanks for their best efforts and their confidence in us, their children.

As we honor them, we also pray for them. Their example is central to their children's appreciation of faith. As one study has pointed out, "Only 2% of kids whose fathers don't practice the faith will end up practicing that faith!" We pray that dads who know how to give help will have the courage to ask help from a loving Father who sent his Son to show us His great love, and to help fathers on earth to lead their children to heaven. We remember in our prayer those dads who have completed their work on earth. May they rest now in peace with the Father of us all, our loving God, who, in the love of husband and wife, gives us life and teaches us love.
