Indigenous Healing & Reconciliation Fund – Special Collection

This weekend, Catholics throughout the Archdiocese of Toronto are invited to participate in the collection being held to support the Indigenous Healing & Reconciliation Fund. The collection is a national grassroots effort to assist healing and reconciliation with Indigenous Peoples of This Land. The fund was the result of a \$30 million financial commitment made by the Canadian Bishops in September 2021.

Funds will support culture and language revitalization, education and community building, healing and reconciliation for communities and families and dialogue involving Indigenous elders, spiritual leaders and youth with a focus on Indigenous spirituality and culture.

This is an opportunity to follow the invitation of the Holy Father made earlier this year for each one of us to become engaged in the healing and reconciliation journey.

Thank you for your generosity.
